One of One

What was once a blacksmith's workshop
 hidden amid the cobblestone lanes of
 Edinburgh's Old Town is now Portman
 Studio - a creative space for some of the
 most talented designers. Within this compact
 two-person creative space, all garments
 are crafted from a single custom-made
 piece by local cabinet-maker Thomas
 Gannon, perhaps the best example of
 designer-meets-the-ethicist that and Jack
 Aronoff's focus on local craftsmanship,
 materials and techniques.
