Is the chicken kind of hot?
Do you find the dance
rock? Does the bride look
like she's being seduced
while by her wedding
belongings, with yards of
cotton candy? For as
little as possible, I once
went to a wedding during
which the bride and groom
did a choreographed dance
to K.C. & John "All My
Life" that ended with her
sitting on his lap. Both of
them had glitters in their
hair. When they came over
to our table to ask us what
we thought, do you know
what my sister loudly said?
We had like the dignified
trash we are. Even if the
wedding is an offense to
your taste, learn how to
make your feelings so that
